

# PM-121 LINNET ACTION

## POWERFUL WATERLINE CLEANER

**PM-121 LINNET ACTION:** Powerful biodegradable product specially designed for swimming pools and spas waterline. It removes effectively greases, lime scale and metal stains. It is specially formulated for liner and polyester pools.

### METHOD OF USE AND DOSAGE

- Do not dilute the product.
- Test a small, hidden area of the pool with a reinforced foil or liner. If your foil has been damaged, the coating may remove the print or colour.
- Dispense a small amount of product onto a sponge or brush and rub the surface to be cleaned. Rinse.
- Use the product again if it is necessary.

### PHYSICAL PROPERTIES

- Appearance: Viscous liquid from colourless to whitish
- Odour: Slightly characteristic
- pH: 13.0 – 14.0
- Density: 1.023 – 1.048 g/cm<sup>3</sup>

### HAZARDS AND PRECAUTIONARY STATEMENTS

- Causes severe skin burns and eye damage.
- Wear protective gloves and eye protection.
- If swallowed: rinse mouth. Do NOT induce vomiting.
- If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower.
- If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
- Immediately call a Poison Centre.
- Dispose of contents/container in accordance with applicable regulations.
